## ON CAMPUS ACCESS USER GUIDE

Visit the Library website at <https://library.gsu.ac.zw/>

Click on the E-Resources Tab, and click the [e-Resources On Campus](#) Access Option. Access will be enabled through recognition of the university Internet Protocol (IP) address.

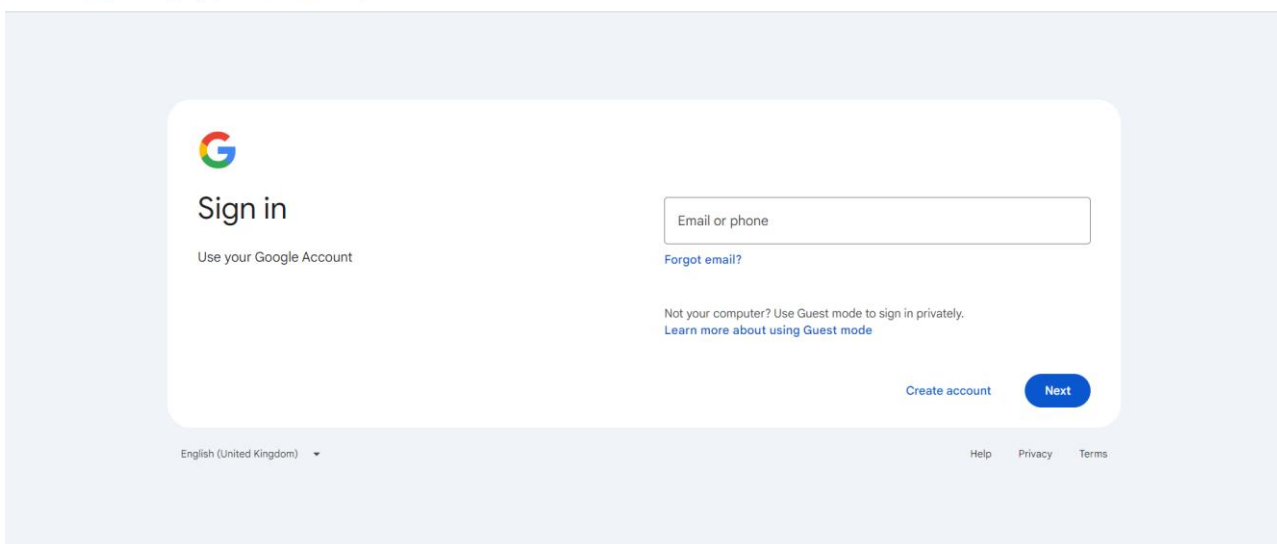

First time users will be prompted to choose an account from a list of accounts that already exist in their devices. It is therefore encouraged to be signed in to your institutional e-mail address. The Google-Sign in page will prompt you to enter the GSU email address if not signed in or select the GSU email if signed in.

Google sign-in has a new look

We've improved the sign-in page with a more modern design
